## OBJECTIVE

Hello. I'm Konstantin and I'm from Ukraine. I am looking for a job. I love programming, playing basketball and eating donuts. I will be glad to any work and communication.

## EXPERIENCE

### QA MANUAL

**TemplateMonster.** Mykolayiv | Mar 2019 - Aug 2019

I am testing templates for wordpress. Tested their visual part. Tested bugs in building the folder structure. Checked the correctness of unloading the database.

I checked the similarity of the site with the layout using pixcelperfect.

Consistently achieved my short and long term goals.

Handled customer complaints with empathy and composure.

Proactively participated in meetings and helped create new practices.

### WORDPRESS CODER

**Template Monster.** Mykolayiv | Aug 2019 - Feb 2021

My responsibilities included developing websites on the wordpress platform using the

elementor constructor and manual html and css layout. Worked with figma, photoshop,

phpmyAdmin, jira, github, pixcelperfect.

- Consistently met my short and long-term targets.

### FRONT-END DEVELOPER

**Wezom.** Kherson | Mar 2021 - May 2021

Engaged in website development. Responsibilities included layout of websites with

further integration under wordpress. Worked with various website builders on the

WordPress platform.

### QA ENGINEER

**Remote.** Kyiv | May 2021 - Feb 2022

testing the functional and visual parts of the project. Engaged in writing queries to the database, searching for data in the database. worked with php code. worked with api - postman.

Identifying and instituting quality metrics to discuss in QIT planning and implementation meetings

Participating in product planning to discuss and review the quality assurance systems

### PROJECT MANAGER

**Remote.** Kyiv | Feb 2022 - Nov 2022

Communicated with task managers. Assigned and assigned tasks to developers. Followed the sprint of tasks.
